All subscriptions are for a minimum period of twelve (12) months. Early disconnection fee will apply within this period. Simple WIZwireless installation just \$199 plus wireless router for standard plans (or \$373.75 and no contract) ** installed by one of our expert technicians. LOS check is required prior to most new installations and may include a technician's visit to perform a signal strength test. The site fee of \$172.50 is chargeable. An additional \$57.50 is also chargeable in the following circumstances: (a) Cancellation of the installation by a customer after the positive outcome of the onsite signal test; (b) Postponement of the installation by a customer for more than 3 weeks from the date of a positive signal test result. All installs please add \$1.38 per km. Prices subject to change. Special installation offer for limited time - until Mar 31 2014.* Speeds will vary depending on network traffic and network backhaul requirements at particular times of the day. All connections have CIR 256kbps or higher and MIR of 1000kbps or up to 8000kbps depending on data plan subscribed to and radio mast connecting to. **Fee is based on a simple installation, this is where you have LOS to one of our radio masts from your house or building that needs internet. There are also Point-to-Point options and cabling up to 500m away from the building. Inquire today. All full speed plans have free VoIP number.

YOU MAY ALSO REQUIRE

Wifi wireless router (Additional House Wireless Repeater)

If you are going to connect more devices a reasonable distance from the main installation. Unit configured for our network. **\$86.25**

UPS (Uninterruptable Power Supply) 1000va (More protection than 650 va)

Helps protect radio equipment from power outages. We strongly recommend this if you have power issues especially in older or rural houses or you wish to have VoIP for added protection. **\$248.00**

Voice over IP (VoIP) - Connector box needed, additional to router

Plug in any phone and works over the internet independent of your computer NOTE: Each subscription has a VoIP number with 2Talk. You need a VoIP subscription. See 2Talk (<http://www.2talk.co.nz/>). **\$125.00**

NB: VoIP service is not for an emergency service. Prices are current at time of print.

EMAIL REQUEST

Use your own email address from another provider, or request a domain name and email address. Now you can have your own special domain name. Please give your two ideal names for us to check and we'll register one of them for you or you can choose a special wizbiz email address

Domain Name 1 eg name@yourdomainname.co.nz

Admin password

Email Address eg name@yourdomainname.co.nz

Password options

Note: All domain name and email requests need to be confirmed and may already be allocated to another user. Cost is \$57.50 to register then an additional monthly fee of \$5.75 to host the domain name; \$11.50 domain name for email purposes and \$34.50 for fully functioning web site. Or you can request to have a wizbiz email address. This is complimentary while you are a WIZwireless client. Please ask for this to be setup when you request internet, thanks.

INSTALLATION PROCESS

Fill in this form to request an installation including LOS (Line of Sight) check to one of our many radio masts (if needed). Choose your plan and any extra hardware you want, then simply:
